

[INTRO]

Time to dare! Time to care! Dare to care!

[VERSE 1]

Everybody, everywhere
Don't be shy let's dare to care
It's so cool to be kind
And honest all the time

Spread compassion with your words
Share acceptance through the world
And when push comes to shove,
Make sure you always choose love

[PRE-CHORUS]

Time to dare! Time to care! Dare to care!

[CHORUS]

When you dare to care
There's nothing that compares
When you're brave, unafraid
Nothing will get in your way

You can dare to care
Send kindness everywhere
Don't let others bring you down
Be a hero all around

[VERSE 2]

Like a shooting star
Stick together we'll fly far
You dare me, I dare you
There's nothing that we can't do

If you ever feel stuck
Never ever give up
Let's be bold and take a chance
Everybody do your dance!

[BREAK]

Dare to Care Bear!
Dare to Care Bear!

Dare to Care Bear!
Dare to Care Bear!

[BRIDGE]

Go on and dare
Dare to be caring
You can always be brave
Stand tall and be daring
Go on and dare
Dare to be caring
You can always be brave
Stand tall and be daring

[CHORUS]

When you dare to care
There's nothing that compares
When you're brave, unafraid
Nothing will get in your way

You can dare to care
Send kindness everywhere
Don't let others bring you down
Be a hero all around

[OUTRO]

There's no obstacle too big
There's no mission that's too daring
Dare to Care can do it all!
Listen as she shouts her call!

"Caring is my superpower!"

Time to dare! Time to care! Dare to care!
